

Commercial ADR Trial Event Schedule - Year 2 - finalised programme

	event no.	participant programme	day of event	date	time of event	duration of event	amount of notice to be given
						1 hour, 2 hours & 3 hours for peak events, 15 mins & .5 hours for fault situation events	mix of notice periods for => 1 hour events (reflecting the fact that peaks are currently relatively predictable), but also test no notice (akin to fault situations and to reflect the fact that demand levels may become more irregular with increased use of sustainable energy resources and with a view to considering fault response situations)
Week 1	Week 1	1 A	Tues	30 Aug	local system peak	2 hours	1 hour
	Week 1	2 B	Weds	31 Aug	local system peak	2 hours	1 hour
	Week 1	3 C	Tues	30 Aug	local system peak	2 hours	1 hour
